

JUNIOR & SENIOR PLAYERS SPONSORSHIP PACKAGES

MNDCC are seeking sponsorship partners for this upcoming season to help achieve some ambitious goals we have for our club. These include clubhouse extensions, new equipment and resources required by our club to maintain our level of competitiveness and provide benefits to **ALL** club members.

If you think your place of employment or your business would be interested in sponsoring our club this season please see Tracy Alker for one of our Sponsorship Proposal Folders. Our sponsorship packages are also available to download from the MNDCC website. There are many different levels of sponsorship packages available starting as low as \$300.

The committee would like to reward you for helping the club & offer to reduce your registration fees by 25% of the cash value the club receives.

So for example if you arrange a \$1000 sponsor for the club,
your fees are reduced by \$250
